OUTSTANDING STUDENT

Holly Yuan

Holly has been studying Chinese at EduExperts Albany centre for over two years. She began from the very beginning with Pinyin and simplified Chinese characters. Holly has made huge progress and can now write diary entries and create simple stories in Chinese. Congratulations to Holly on achieving 100% in the internationally recognized 2020 November HSK (Chinese level) test. WELL DONE!

Teacher's comments:

The first time I met Holly, she was a shy and reserved student. It was rare for her to say more than three words to me. However, after two terms of studying at EduExperts, it was wonderful to see her opening up and telling the class about her day. She is a hard-working student and she always completes her homework to a high standard. It was an exciting moment when I saw she scored 200/200 in the HSK test. I am so proud of her. She is definitely an outstanding student and I enjoy having her in my class.

EVENTS & NEWS

- 1) One Tree Hill Seminar
- 2) HSK Results
- 3) NCT Results
- 4) Upcoming Events
- 5) Important Dates

1) One Tree Hill Pre-opening Seminar

It was with great excitement that EduExperts held a pre-opening seminar for the new One Tree Hill centre on the 23rd January. More than 60 parents and students attended the seminar. Crimson CEO Jamie Beaton gave a welcome speech and a brief introduction to Crimson Education and EduExperts. He was followed by Jenny (EduExperts CEO), Lewis (Bestcoder Head Teacher), and Paul (ChessPower CEO) who all gave wonderful speeches on a variety of interesting topics.

Around 40 students participated in the free entrance tests and received professional assessments from EduExperts consultants.

2) HSK Results

In November 2020, 11 students from EduExperts took part in the HSK test.

They achieved a 91% pass rate with two students scoring 200/200.

3) NCT Results

Scratch Level 1 and Python Level 1 exams, organized by BestCoder, supported by EduExperts and in collaboration with the NCT examination team, were successfully completed on 13th December 2020.

Jacob Huangfu and Lucas Lin achieved the highest scores in Python Level 1 and Scratch Level 1 exams.

4) Upcoming Events

- + 13th Feb, Albany centre
"How HSPT Helps"
- + 13th Feb, Stonefields centre
"How HSPT Helps"
- + 21st Feb, St Lukes centre
"How HSPT Helps"

5) Important Dates

- + EduExperts Term 1 start: 9th Feb
- ★ Auckland Day: 1st Feb
- ★ Waitangi Day: 6th Feb
- ★ Waitangi Day Observed: 8th Feb

SPECIAL COURSES - EduExperts Holiday Programme

EduExperts not only offers classes during term time but also in the school holidays. There are **four-holiday programmes** throughout the year. The first is in January for a period of three weeks, and the others are for a duration of two weeks in April, July, and October, according to the school calendar year.

The January school holiday programme provides the perfect opportunity for students to **review** what they learned the previous year and introduces them to the **new curriculum** they will be studying in the upcoming terms.

EduExperts' holiday programme consists of high-quality academic classes covering a wide variety of topic-oriented lessons delivered across thirteen centres. For example, the Speech & Debating classes have been running over the past few weeks. Students are taught the skills to deliver interesting and engaging speeches as well as given several opportunities to practise in front of their classmates to improve their technique and boost their confidence.
